## Nomination Application

### Member Selection Process Overview

**The National Midget Auto Racing Hall of Fame seeks to recognize anyone, living or deceased, who has distinguished himself or herself at any time through a sustained record of contribution to the sport anywhere in the United States.**

The annual selection of four (4) honorees for induction as Hall of Fame Honored Members must begin with the submission of Nomination Application form. Anyone is eligible to manually complete and submit an Application, available by writing to *NMAR-HoF Secretary, PO Box 747, Sun Prairie, WI 53590* or by downloading from our web site ([www.WorthyOfHonor.com](http://www.WorthyOfHonor.com)).

Applications must proceed through a three stage process:

1. **Annual Open Nomination Period (closes Dec 31st)** - all applications received during a calendar year from any source are circulated among our Induction Committee members, seeking a sponsor who vouches for the accuracy & completeness of the submitted information and the suitability of the Nominee. Applications may be rejected for lack of a sponsor.
2. **Initial Candidate Ballot (in March)** - all sponsored Nominees are listed for consideration by our Induction Committee members and the top 10 votegetters move on as Candidates to the 3rd stage.
3. **Final Inductee Ballot (in April)** - The 10 Candidates selected in March join the top 10 non-inducted "carryover" Candidates from the previous year's voting to form this ballot. From these 20 Candidates, the top 4 votegetters comprise the Induction class at our August ceremonies.

*Note that all names not gaining "carryover" status in the current year's voting must be re-nominated to participate in the subsequent year's selection process*

### Nomination Application Tips
